Order

05/05/2026

1. At the outset, learned counsel for the petitioner submitted that a substantial portion of the *Gochar* land has been occupied by Hingoniya Gaushala, and that by erecting barbed wire fencing thereon, the villagers have been excluded from accessing the said land for grazing their cattle, thereby causing them considerable hardship.
2. Learned counsel appearing for the private respondents submitted that Hingoniya Gaushala is catering to a large number of cattle, which is about 17,000 in number and the fencing has been put up with the object of raising agricultural resources from the land in question.

3. Learned Additional Advocate General appearing for the respondent-State submitted that Hingoniya Gaushala has been carved out of the Gochar land and in terms of the order dated 31.05.2017 passed in S.B. Civil Writ Petition No. 15585/2020, the said land has been reserved for Hingoniya Gaushala. However, he fairly submitted that since the land in question is not only precious but also lucrative, it has become a bone of contention for persons who wish to control it for their vested interest. He further submitted that a proper balance needs to be struck between the interests of Hingoniya Gaushala and the cattle of the nearby village.

4. Learned AAG further assured this Court that if any encroachment is found on the Gochar land, appropriate action shall be taken for its removal. He prayed for six weeks' time to enable the State to prepare a comprehensive plan, with the assistance of competent officers, for proper management of the Gochar land so as to maintain a balance between the needs of the villagers and Hingoniya Gaushala and to place the same before this Court.

5. In view of the above submissions, the time prayed for by the learned AAG is granted.

6. List the matter after six weeks.

7. Interim order, if any, shall continue till next date of hearing.
