Judgment / Order

17/04/2023

Counsel for the respondent-RIICO fairly admits that the land of the petitioner which is in question was never acquired by the RIICO. They have issued lease to the private persons without acquiring the land.

Counsel for the respondents are directed to submit an additional affidavit in what circumstances and what authority these lease deeds of the land of the petitioner were issued to the private persons. If they have issued the lease deeds of the land of the petitioner to the private persons without authority and without acquisition, why not the complete amount they received against the lease deeds be not given to the petitioners.

List this matter on 27.04.2023.
