Mr. Bhupendra Dhak, DG prison and Mr. Vikram Singh, IG Prison, present in persons.

Learned GA-cum-AAG submits that State needs time so as to enable automatic transmission of informations relating to all such prisoners who were released after completion of sentence or prematurely either on any celebratory occasion or on the basis of accrued remission. He also submits that the prison department will ensure that the data relating to prisoners maintained on E-prison portal would be updated as early as possible but within two months so as to enable the PP office to procure custody certificates and relevant details on time.

Ministry of Home Affairs has created a National Prison Information Portal wherein facility or E-mulakat, citizen services and other related facilitation are provided, which includes

generation of custody certificates and details relating to prisoners. Under the citizen services several facilities are provided to relatives of prisoners who desires to know about details of concern prisoner so as to enable them to file parole or other related applications. It appears that the facility is created on E-portal prisons are not used by the stake holders in the State of Rajasthan.

Ten weeks time is granted as prayed for.

Office is also directed to share a copy to the MS, RSLSA, Jaipur.

List after ten weeks.
