Learned counsel for the petitioner has contended that the investigating agency relied upon the report of Forensic Science Laboratory and submitted Final Report in negative form and said report was accepted by the trial court. The protest petition filed by the complainant/respondent no.2 was rejected. Learned counsel for the petitioner has contended that the complainant filed a revision petition and in the revision petition, the court inspite of the report of Forensic Science Laboratory, relied upon its own opinion to come to a conclusion that signatures of the complainant on the agreement are different.

Issue notice to the respondents for 12.12.2018.

List this case on 12.12.2018. Meanwhile, proceedings against the petitioner in the court below shall remain stayed.
