Order

04/01/2023

The petitioners in public interest want establishment of proper cow sheds etc. for the protection of stray cows and other animals.

The submission is that the State Government in the financial year 2022-23 upto 31.08.2022, has collected 219.69 Crore as cow protection surcharge and more than a thousand Crore has been collected in previous years from 2015 to 2021. In addition to the above, the Government is having surplus land for the establishment of necessary *Gaushala*, Gau Sanctuary, Park etc but even then nothing is being done.

Issue notice to the respondents, by registered post, returnable within six weeks to show cause as to what the State Government proposes to do with the revenue so collected and to disclose the scheme for the welfare of the cows and other animals in the State of Rajasthan.
