Learned counsels for the petitioners submits that although the petitioners have been continuously working on the post of Computer Operator for last so many years, yet the respondent are not paying their due salary from September, 2025.

Learned counsel for the respondents, although objected that there is no direct relationship of employer and employees (between the petitioners and respondents) and rather the petitioners have been engaged through placement agency, however, learned counsel is not in a position to dispute the fact that the petitioners are still continuing in services and they are discharging their duties regularly.

In the aforesaid circumstances, irrespective of the fact as to whether the petitioners are direct employees of respondent-Department or are working through placement agency, the respondents shall make payment of due salary of the petitioners, either from their account or the account of placement agency as the case may be, within a period of 15 days from today and shall continue to pay their regular salary/remuneration during the pendency of writ petition.

The question with regard to relation of employers and employees is kept open to be decided at the time of final disposal of the present petition.

Let these matters be listed on 18th March, 2026.
