Versus

-----Respondent

For Petitioner(s) : Petitioner-present in person

For Respondent(s) :

HON'BLE MR. JUSTICE BHUWAN GOYAL

Order

17/03/2023

1. Counsel for the petitioner has not marked his presence before the Court as apparently he is abstaining from work pursuant to the call given by the office bearers of the Bar Association. Such non-appearance is clearly illegal and in breach of the order passed by the Hon'ble Supreme Court in the case of **"Ex-Captain Harish Uppal Vs. Union of India & Anr. [2003 (2) SCC 45]."**

2. Petitioner is present in person who has filed this petition with regard to discharge of treated waste water and for quashing MOUs/agreement dated 20.05.2022 executed between Nagar Parishad Beawar and Shree Cement Ltd. Beawar.

3. It is contended by the petitioner that as per action plan for reuse of treated waste water, the first priority has to be given to agriculture, horticulture and irrigation. However, the authorities are giving the treated waste water to the industrialists which is de hors the action plan for reuse of treated waste water as per the

directions given by National Green Tribunal. It is also contended that the agriculturists of many villages are being affected by the illegal discharge of treated water to the respondent No.4.

4. Issue notice, returnable by four weeks. Issue notice on the stay application as well.
