Order

13/01/2025

Heard on prayer for stay.

One of the main grounds to challenge the action of the respondents blocking credit is that neither any opportunity of hearing was afforded, nor any show-cause notice was given.

Learned counsel for the petitioner places reliance upon interim order passed by this Court on 19.09.2024 in **D.B. CWP No.11921/2024-Sumetco Alloys Private Limited Vs. Deputy Commissioner & Ors.**

Learned counsel for the respondents would submit that though notices may not have been issued to show cause as to why credit be not blocked, a parallel proceedings was already initiated issuing summons requiring the petitioner to give certain information which were not provided.

Having heard learned counsel for the parties and considering that this Court in the case of **Sumetco Alloys Private Limited (supra)** has already granted interim relief, taking into consideration that no notice was given by the competent authority before proceeding to block credit, the action of the respondents in blocking the electronic credit ledger of the petitioner is kept in abeyance and the respondents are restrained from giving effect to decision of blocking credit ledger of the petitioner.

List this case for final hearing at motion stage along with D.B. CWP No.11921/2024.
