Order

04/06/2020

Apparently, it appears to be a civil dispute between the complainant and the accused-petitioners where complainant is said to have given a power of attorney to the accused who have misused the power of attorney.

Learned counsel for the complainant does not have any information whether the power of attorney was cancelled.

Keeping in view as noticed above, list this case for final arguments on 9.7.2020.

In the meanwhile, no coercive steps shall be taken against the petitioners.
