21/08/2024

Due to extreme weather conditions and heavy rainfall with thundering in the entire area in and around Agartala, the city has been affected with intense water logging in major areas. As a result, majority of the learned members of the bar have not been able to reach the Court. Request has also been received verbally from the learned Advocate General, President of the Tripura High Court Bar Association and also from the Tripura Bar Association that no adverse orders may be passed in case the learned counsels are not able to appear in their cases.

We find that only a few lawyers have been able to reach the Court. In the absence of both the sides, no effective hearing can be made in such circumstances.

In that view of the matter, the case is adjourned for the day.
