CAN 1 of 2026

1. This is an application for restoration of recalling of an order dated 14th January, 2026.
2. Having regard to the averments made in this restoration application, I am of the view that the petitioner has sufficiently explained the reason for his non-appearance before this Court on 14th January, 2026.
3. Accordingly, the application being **CAN 1 of 2026** is **allowed** and **WPA 3347 of 2023** is restored to its original file and number.
4. Let this matter appear in the Monthly List of April 2026.
5. Learned counsel appearing for the petitioner submits that since its a change brief, the original affidavit-in-reply is not traceable and seeks leave to reconstruct and file the same on the next returnable date.

6. Such prayer is allowed and the advocate-on-record of the respondents is directed to serve a copy of affidavit-in-reply which has already been served in advance upon the respondents by the erstwhile advocate-on-record.
7. A copy of the same served upon the advocate-on-record of the petitioner on usual terms.
