In Re: CAN 2 of 2022

1. This is an application under Section 5 of the Limitation Act for condonation of delay in filing the memorandum of review.
2. Having heard the learned advocates appearing for the respective parties and having considered the application for condonation of delay, it appears that applicants have been able to sufficiently explain the delay in filing of the review. As such, the delay is condoned.
3. The application for condonation of delay is accordingly allowed.
4. The application, being CAN 2 of 2022 is, thus, disposed of.

In Re: RVW 56 of 2022 with CAN 1 of 2022

5. On 2nd August, 2024, Mr. Kamal, learned advocate appearing on behalf of the petitioners by drawing attention of this Court to the order dated 7th April, 2017 had submitted that though the Hon'ble Court had directed the respondent no.3 to publish the panel, such direction was in fact for publishing of the results.
6. On the said date Mr. Halder, learned advocate appearing on behalf of the respondents submitted that there is no error apparent on the face of the order. The Coordinate Bench of this Court by its order dated 7th April, 2017 considering the facts of the case, had directed the respondent no.3 to publish the panel for the Anganwari Karmee under Ratua-I, ICDS Project, Malda, on the basis of the interview held on 2nd January, 2011 within the time specified therein. He further submitted that in terms of the aforesaid direction, the panel has already been published.
7. Accordingly, this Court on 2nd August, 2024 had directed the learned advocate for the respondents to produce the panel when the matter is to be taken up next.

8. Today, Mr. Halder, learned advocate appearing on behalf of the respondents submits that no such panel as claimed by him and as is recorded in the order dated 2nd August, 2024 has been published. He submits that the results of the written examination held in the year 2011 are yet to be published.
9. Having regard to the aforesaid, since admittedly the results of the examination of Anganwari Karmee under Ratua-I, ICDS Project, Malda, on the basis of the interview held on 2nd January, 2011, are yet to be published and since Mr. Halder, today acknowledges the fact that in the order dated 7th April, 2017, the Coordinate Bench of this Hon'ble Court had, in fact, directed publishing of the results and not the panel, though in the order the same has been recorded as publishing of the panel, I allow the review application thereby modifying paragraph 3 of page no. 2 of the order dated 7th April, 2017, directing the Child Development Project officer, Ratua-I, Malda, being the respondent no.3 in the writ petition, to publish the result of the Anganwari Karmee under Ratua-I, ICDS Project, Malda on the basis of the written examination/interview held on 2nd January, 2011 within a period of three months from the date of

communication of this order.

10. With the above observation and modification, the review application being RVW 56 of 2022 along with the connected application, being CAN 1 of 2022 stands disposed of.
11. The aforesaid order must be read along with the order dated 7th April, 2017.
12. Written instruction filed in Court today on behalf of the respondents is retained with the records.
