The matter relates to a land over which construction is not permissible. Learned advocate for the petitioner seeks demolition of the said construction.

Learned advocate representing the Municipality admits that the land over which the construction has been made is classified as “Beel” and “Sali”. It has further been submitted that the construction was made in terms of the Pradhan Mantri Abas Yojana and money for construction was paid by the municipality.

The person responsible for making construction has not been able to produce any document to show that the classification of the land has been converted.

To give one last opportunity to the person responsible for making construction to produce document in support of conversion of the classification of the land, let the writ petition appear

in the list once again on 22nd February, 2023 under the heading “For Orders”.

A notice be served upon the learned advocate representing the person responsible for making construction.

It is made clear that in the event no document is produced on the adjourned date by the learned advocate representing the person responsible for making construction, then necessary orders will be passed on the basis of the documents available on records.
