....for the applicant/petitioner.

Let a copy of the contempt application be served upon the Block Medical Officer of Health, Mathurapur Rural Hospital. Affidavit of service to be filed on the next date.

Learned advocate for the petitioner submits on instruction that a hearing had been concluded but no communication has yet been received.

Prima facie, it appears that the reasoned order has not yet been passed. As such, a copy of the contempt application has to be served.

Let this matter appear in the supplementary list on June 15, 2023.

Compliance in the meantime.
