Learned counsel appearing for the petitioners informs the Court that the Public Interest Litigation (PIL) was taken up by the Division Bench presided over by the Hon'ble the Acting Chief Justice yesterday and that the names of all 11 petitioners are now on the portal of Rare Diseases.

The learned ASG appearing for the Union of India submits that the relief claimed by the petitioners is almost identical to that claimed in the PIL and further that there is substantial similarity between the parties in both the proceedings. It is also submitted that the

Division Bench directed for affidavits and that the matter is due to be listed on 25th April, 2023.

Upon considering the submissions made and the prayer of the petitioners, the present writ petition may be tagged with the PILs which are due to be heard on 25th April, 2023 or as directed by the Division Bench on appropriate steps being taken by the petitioners, in this regard. The petitioners shall pay the requisite court fees by 21st April, 2023.
