Syamali Mallik
Vs.
Smt. Anjana Mondal & Ors.

Mr. Palash Chandra Podder,
... for the petitioner.

1. Since the petitioner had initially filed an appeal (which only requires the certified copy of the impugned order) and such appeal has been converted into an application under Article 227, therefore all documents that the petitioner was required to annex are not on record.
2. Accordingly leave is granted to the petitioner to file a supplementary affidavit bringing on record the other documents that the petitioner seeks to rely on in support of the revisional application within one week after the ensuing summer vacation.
3. List this matter one week after the reopening of the Court after the ensuing summer vacation.
