The writ petitioners have come up against a judgment and order dated March 5, 2024, whereby, a learned Judge of this Court, disposed of their writ petition being WPA 2808 of 2001.

It appears that the State Authorities cancelled an allotment of land that had been made in favour of the writ petitioners. Challenging such cancellation order, the writ petitioners approached the learned Single Judge. The learned Single Judge was pleased not to interfere with the cancellation order. The learned Judge disposed of the writ petition granting liberty to the writ petitioners to make fresh application before the concerned authorities for allotment of land at Kalyani. Being aggrieved, the writ petitioners are before us by way of this appeal.

We need to hear out this appeal. No useful purpose will be served by having multiple hearings. We are told that all the papers that were available before the learned Single

Judge have been annexed to the application filed in this appeal excepting one document. Such document may be filed at the time of hearing. We will treat the stay application as an informal paper book. All formalities are dispensed with. Since the State is represented, notice of appeal is deemed to have been waived.

We propose to hear out the appeal as soon as possible. Let *status quo* as of date be maintained in respect of the concerned plot of land in so far as title is concerned, till the disposal of the appeal. The application for stay stands disposed of. However, let the records be made available since the stay application will be treated as an informal paper book.

List the matter under the heading “Specially Fixed Matters” amongst the first five items on 29.04.2024.
