In Re: CAN 2 of 2025

1. The appeal is defective. The appellant has not removed the defect.
2. This is an application for restoration of the appeal and the application. The appeal and the application were dismissed for default on 21st August, 2025. However, the respondents appeared on that date.
3. We are satisfied with the explanations given by the petitioner for not being able to appear before the Court when the matter was taken up for hearing on 21st August, 2025 and the appeal and the application were dismissed for default.
4. In view thereof, the order dated 21st August, 2025 is recalled and the appeal and the application are restored to its original file and number with an assurance that the defects shall be removed on or before 26th September, 2025, in default, the appeal and the application shall stand dismissed without any reference to this Court.

5. In the event the defects are removed, the matter shall be listed in the **Monthly List of November 2025**.
6. CAN 2 of 2025 is, accordingly, disposed of.
