... for the appellant.

1. The affidavit-of-service filed in Court today be kept on record.
2. Learned counsel for the appellant suggests that the entire issue between the parties is affixation of certain Glow Signboards by the plaintiffs/respondents by clamps instead of affixing them to the wall like the other business concerns in the suit building, which endangers the life and limb of the people in the area.
3. It is submitted that in the event the respondents appear in the matter, some mutual solution may be arrived at between the parties.
4. However, although service has been effected, unfortunately, none appears for the respondents.
5. Accordingly, it is prayed for by learned counsel for the appellant that, in order to explore the possibility of mutual conciliation, another notice may be

directed to be served to ensure appearance of the respondents.

6. Hence, the appellant/petitioner shall serve further copies of the application to the respondents, directly and/or through their learned Advocate appearing in the trial court, indicating that the application shall next be listed on July 14, 2025, when a fresh affidavit-of-service shall be filed by the appellant/petitioner to that effect.
7. It is made clear that nothing in the above order shall prevent the parties from entering into an amicable settlement to the dispute in the meantime.
8. The interim order, granted earlier, is extended till disposal of the application.
