... for the petitioner

1. This revisional application is directed against an order dated April 17, 2026 passed by the District Consumer Disputes Redressal Commission thereby appointing an Engineer Commissioner to cause local inspection in terms of the Schedule of Inspection as detailed in the interim application and to file a report before the said Commission.

2. Mr. Majumdar, learned senior advocate appearing for the petitioner submits that the learned Commission does not have jurisdiction to pass such an order inasmuch as the provisions of Section 38 of the Consumer Protection Act, 2019, vest no authority in the Commission to appoint an Engineer Commissioner.

3. The petitioner shall serve a copy of this application on the opposite parties, intimating them that the matter shall be taken up next on June 24, 2026.

4. Any action taken on the strength of the order dated April 17, 2026 shall abide by the result of the revisional application.
