Mr. Joytosh Mazumder, Ld. A.G.,
Mr. Shamim Ul Bari,
...for the Appellants.

In spite of notice, the school authorities are not represented. It appears that in terms of our earlier order dated 16th January, 2020, the service of notice was effected upon the respondents.

In view of the fact that due to Covid the functioning of the Court was restricted, we direct the appellants once more to put in the costs and expenses for effecting service upon the school authorities by the department within one week from date with an intimation that this matter shall be listed on 3rd February, 2021. In the event, the school authorities are not represented on the adjourned date, the appeal and the applications shall be heard in absence of the school authorities.

The service shall be effected by Speed-Post with Acknowledgement Due upon the school authorities being the respondent Nos.1,2 and 3.

The department shall file a compliance report on the adjourned date.
