Challenging the maintainability of the writ petition, learned counsel for the private respondents submits that the order impugned directing demolition of the structure on the plot in question has been passed in compliance with the direction of this Court in WPA 2890 of 2026.

The petitioners filed a writ petition earlier being WPA 14292 of 2025 seeking a direction upon the authorities not to demolish the construction. The writ petition is still pending and has been deliberately suppressed in the present application. Also, a civil suit filed by the son of the 1<sup>st</sup> petitioner against the private respondents in respect of the plot in question is pending, the said fact

also not having been found place in the present application.

Learned counsel for the private respondents seeks dismissal of the application on such score.

Learned counsel for the petitioners seeks to take instructions in this regard.

Let the matter appear under the same heading on 23<sup>rd</sup> June, 2026.
