...for the petitioners

On a query of the Court as to whether the learned advocate representing the opposite-parties today appeared before the tribunal on July 5, 2023 and July 25, 2023, learned advocate submits that he did not represent the opposite-parties before the learned Tribunal and some other learned advocate represented the bank before the learned Tribunal on those days.

On a query of the Court as to whether the said advocate can appear, learned advocate sought time to take instruction from his client.

List this matter tomorrow under the same heading to enable the learned advocate appearing for the opposite parties to revert back with necessary instructions.
