From a departmental note dated August 28, 2026, we see that the rough sketch map along with index was not marked as exhibit and is also not found in the trial court records.

Learned State Advocate is requested to obtain a copy of the rough sketch map with index through proper channel from the investigating authority and place the same before the court on the next date.

The other issues noted in the order dated July 21, 2026, passed by a Coordinate Bench, have been addressed by the department.

Let the order of *interim* bail stand extended till the end of September, 2026 or until further order, whichever is earlier.

Place this matter under the heading "Criminal Appeal Hearing" on 14.09.2026 fairly at the top.

From a communication dated August 21, 2026 addressed to the Assistant Registrar VII, High Court, Calcutta, by the Additional District and Sessions Judge, 6th Court, Alipore,

South 24 Parganas, we see that one of the accused persons, namely, Salam Molla, has been arrested subsequently. However, the trial against him cannot proceed since the original records are in this court.

The department shall photocopy the entire set of trial court records, retain the photocopy in the records of this court and send back the original trial court records to learned trial court at the earliest and positively within a fortnight from date.
