In furtherance of the earlier orders, we have heard learned Advocate General, learned Additional Solicitor General, learned counsel for the High Court Administration and learned counsel for the petitioners.

We are sure that the way forward to be achieved in furtherance of the earlier orders is to ensure a working mechanism under the control of the Director of SSKM hospital to carry forward the facilities for extending the requisite support for the functioning of the creche in the High Court so that the toddlers who come there to be taken care of, will get appropriate assistance. Though we visualize that all of them would normally be happy and healthy with the blessing of all concerned, we should provide the facilities which may be accessed to as and when necessary.

Learned Advocate General will ensure that requisite instructions and guidance reach the Director of SSKM Hospital so that the modalities can be worked out with a positive approach as is required on the facts and circumstances of the situation.

Let the proposed action be placed on record for perusal of the Bench on 29.01.2021.
