

AD-COM 3 of 2026

**M/S. KUNNEL ENGINEERS CONTRACTORS PVT. LTD.
VS
M/S. TRIPTI CONSTRUCTION & ANR.**

None appears on behalf of the appellants at the time of call.

Perused the office note dated 15.07.2026.

It appears from the office report that there is a discrepancy between the date of the judgment and the date mentioned in the decree. The judgment is stated to have been delivered on 17.04.2026, whereas the date appearing on the decree is different. Such inconsistency requires to be rectified, as the decree must correspond with the judgment and bear the same date on which the judgment was pronounced, in terms of the provisions contained in Order XX Rule 7 of the Code of Civil Procedure, 1908.

The sanctity and correctness of the decree are of paramount importance, as the decree is the formal expression of the adjudication made by the Court and any discrepancy in the date thereof may lead to unnecessary complications at the stage of execution and further proceedings.

Accordingly, the department is directed to transmit the certified copies of the judgment and

decree to the concerned Court forthwith for necessary verification and rectification.

The concerned Court is directed to carry out the necessary correction, if warranted, and retransmit the corrected records, together with the certified copies of the judgment and decree to this Court within one month from the date of communication of this order.

Let the department communicate this order forthwith and act accordingly.
