Vs.

M/s. Maharshi Commerce Limited and Ors.

Mr. Sirsanya Bandopadhyay, Sr. Standing Counsel
Mr. Debopriyo Karan

.....For the appellant.

Mr. Avinash Kankani,
Mr. Sagnik Mukherjee

...For the respondent no. 1.

1. The pleadings are before this court.
2. The matter was adjourned previously on the premise that there was a chance of settlement between the parties.
3. However, it transpires that the appellant, being a government authority, has some procedural difficulties in suggesting a figure for the parties to arrive at a resolution.
4. On the other hand, learned counsel for the respondent no. 1 submits that the proposed figure at which the settlement can be arrived at has been disclosed by the said respondent in its

supplementary affidavit filed before the learned Single Judge. We find that since there is no absence of goodwill on the part of both the parties as well as counsel, but there is a procedural difficulty in the parties arriving at an amicable solution, we deem the matter to be fit for mediation.

5. Accordingly, let the file be sent to the Calcutta High Court Mediation Committee for the purpose of resolution through mediation.

6. Liberty to the parties to mention the appeal in the event the mediation fails.

7. The interim order granted earlier is extended till November 30, 2025 or until further order, whichever is earlier.
