The State of West Bengal and others

Mrs. Pampa Dey (Dhabal)
... for the petitioners.

1. The affidavit of service filed in court today is taken on record.
2. The petitioner/applicant, a retired Deputy Commandant of the RAF, visited the Apollo Hospital at Chennai for routine check up. According to his claim, while he was undergoing check up on 1st February, 2024, the doctor immediately advised that the petitioner was required to undergo Percutaneous Transluminal Coronary Angioplasty (PTCA) to avoid any risk to his life.
3. Under the circumstances, he has undergone a procedure. The emergent circumstances did not allow the petitioner any time to seek prior approval. The authorities are objecting to reimbursement of the costs incurred over such procedure (Rs.4,29,697/-) on the ground that prior approval was not taken before undergoing the procedure.

4. The learned counsel for the petitioner is given liberty to file supplementary affidavit placing on record the rules/guidelines governing the claim of the petitioner including the medical bills.
5. Let notice be served on the respondents enclosing a copy of such supplementary affidavit to be filed within two weeks from date. The affidavit of service should be filed within three weeks from date.
6. List this matter under the same heading on **25th August, 2025.**
