In Re: CAN 1 of 2026

This is an application for extension of interim order that was passed on August 6, 2025 and which was subsequently extended on December 22, 2025.

Heard the learned Advocates appearing for the respective parties and considered the material on record. Since the application for extension of interim order had been filed prior to the expiry thereof, therefore the interim order is re-imposed. The same shall continue till the end of the month of June, 2026 or until further orders, whichever is earlier.

Let the matter appear in the list on **17th June, 2026.**
