Affidavit of service filed on behalf of the petitioner is taken on record.

None appears for the State despite service.

It is not in dispute that the petitioner and the private respondents are co-sharers in respect of the plot in question and a partition suit is pending by and between the parties wherein a preliminary decree has been granted and the learned Court has directed parties to maintain status quo in respect of the property. The petitioner alleges that the private respondents are raising construction therein without obtaining sanctioned plan from the concerned Panchayat.

The petitioner submitted a representation in this regard before the concerned authority on 23<sup>rd</sup> May, 2025. The petitioner seeks consideration of the same.

Denying such allegation, learned counsel for the private respondents submits that the private

respondents are raising construction under the Pradhan Mantri Awas Yojana which does not require sanction from the Panchayat. The concerned Panchayat is aware of the same.

Learned counsel for the Panchayat is not able to apprise the Court of this issue. The Panchayat authority is directed to submit a report on the adjourned date along with relevant documents indicating whether the construction in question is being raised under the Pradhan Mantri Awas Yojana.

Let the matter appear under the same heading on 5<sup>th</sup> May, 2026.
