Heard the learned counsel for the appellant.

The matter was mentioned on Friday (21.11.2025). We had allowed the mentioning for listing of the matter today for extension of an interim order since the interim order was granted by a Bench which is not available till 01.12.2025 and the urgent matters of that Bench have been assigned to us. It is under this circumstances that we directed for listing of the matter today. For some reason the matter could not appear in the daily list and, therefore, has been published in the supplementary list.

We find that the interim order has been continuing in this matter since the last about three months. Since the Bench is to be available after the 1st December, 2025, we consider it appropriate to extend

the interim order as contained in the last order dated 29.10.2025 till 08.12.2025.

The learned advocate for the respondents has raised objections to such extension which we are not inclined to accept.
