Uma Rani Maji(Samanta)-vs-The State of West Bengal & Ors.

Mr. Biswarup Biswas
Mr. Pradip Kr. Ghosh
....for the petitioner.

Mr. Jantanu Kr. Mitra, Sr. Govt. Adv.
.....for the State

1. Mr. Biswas, learned advocate has represented the petitioner. He files an exception to the report earlier filed by the respondent/District Primary School Council, Purba Medinipur.
2. According to the petitioner by dint of the impugned order dated 14.06.2024, the Chairman of the said Primary School Council has overridden without authority and any legal support, the order of the Commissioner of School Education, to incorporate the writ petitioner within the zone of eligible candidates.
3. Allegedly, in the said impugned letter dated 14.06.2024 the respondent has shifted its earlier stand regarding the minimum cut off marks in the examination, as was declared by the respondent before court in the year 2010. The writ petitioner qualifies having obtained more marks than the minimum cut off marks.
4. Also the said respondent has disclosed in the year 2024 before this court the minimum cut off marks to be 55.906, similar as that was declared in 2010. However, allegedly they have unauthorizedly and illegally changed their stand while considering the petitioner's candidature thereby deviating from their earlier stand as well as overriding the direction of the Commissioner of School Education, in its letter dated 20.05.2024.
5. Since no one is appearing on behalf of the said respondent, it is found proper to adjourn the proceeding today, let this matter appear on **5.3.2026.**
