1. Let this matter appear on 8th June, 2026.
2. In the meantime, the Panchayat authorities as also the District Magistrate of Hooghly will cause an inspection of the road on which the construction has taken place. The proposed diversion for the road, which according to the District administration and the Panchayat authorities would make the egress and ingress to the applicant's plot smooth, is no longer possible. The proposal to divert the road through plot no.427 has been quashed in another writ proceeding. The road has to be wide enough for passage of heavy vehicles. It is expected that the issue will be resolved by the panchayat authorities under the supervision of the District Magistrate.

3. The inspection will be held upon giving notice to all the interested parties, and a report will be filed.
4. A copy of this order be served upon the District Advocate who appeared on behalf of the District Magistrate.
