.... For the State

Affidavit of service filed by the petitioner is taken on record.

At the outset, learned counsel submits that the allegation regarding unauthorised construction made in the premises in question has been agitated before the appropriate forum and shall be dealt with by the said forum. In the present application, the sole grievance of the petitioner is against the police authority. The petitioner alleges that when the petitioner went to lodge complaint against the private respondent to the effect that the private respondent was raising unauthorised construction in the property in violation of the order of status quo granted by the learned trial Court, he was forcibly referred to Disa Charitable Trust which is a therapeutic healing community for the marginalised and was confined there from 14th July, 2025 till 23rd July, 2025. In the meantime, construction in the property was completed with the aid and assistance of the police.

Learned counsel for the State denies and disputes the contention of the petitioner. Learned counsel submits that

the complaint lodged by the petitioner was diarised and photographs of the property were taken by the police which reveal that no construction has been going on in the property.

On prayer of the petitioner liberty is granted to use supplementary affidavit annexing relevant documents pertaining to his admission and stay at the hospital

Let the matter appear under the same heading on 2nd December, 2025.
