The grievance of the petitioner is directed against non-supply of an electricity connection to their premises.

It is submitted by the petitioner that despite an application being filed as far back as in 2011, no electricity connection has been provided to them.

On behalf of CESC Ltd., it is submitted that in view of long passage of time, since the filing of the application and the subsequent events, the CESC Ltd. would like to cause a fresh inspection at the subject premises. However, there is strong resistance from the private parties, who all are influential in the locality.

In view of the above, CESC Ltd., is directed to file a Report after causing an inspection as to the grievance of the petitioner.

Liberty is granted to CESC Ltd. to obtain police assistance, if the circumstances so warrant. The petitioners shall bear the entire expenses of police assistance.

Let this matter appear on 16th March, 2026 for the CESC Ltd. to file a Report.
