... for the respondent nos.22, 31 & 36

On hearing the learned counsels for the parties, it appears that the dispute revolves around their retrenchment compensation.

The present writ application has been preferred against the order of the First Labour Court, West Bengal dated 31.05.2011 wherein the court has been pleased to decide in favour of the respondents. The court has allowed the application under Section 33C (2) of the Industrial Dispute Act and has specified the claim to which each of the private respondents are entitled to.

In course of hearing, it has been submitted by the learned counsel appearing for the petitioner that as per BIFR Scheme all dues as per the claim of the said applicants before the Labour Court have been paid in full. One of such documents has been annexed to the writ petition. But as it appears that all the thirty five

applicants were before the Labour court, the documents relating to their full and final settlement whether by the BIFR Scheme or by the Company is required to be placed before this court.

Accordingly, the petitioner is directed to submit those documents by way of a supplementary affidavit on the next date of hearing with a copy to other side.

Matter to appear in the monthly list of April, 2025.
