... for the petitioner

The petitioner alleges that the entire construction of the subject premises is unauthorized.

In the limited scope of this writ petition which only pertain to the grant or non-grant of electricity, WBSEDCL is directed to file a Report as to what steps have been taken and whether all compliances have been duly made before grant of the electricity connection.

The State is represented and is directed to take instructions insofar as the communication issued being Annexure 'P-3' (at page 105 of the writ petition) by Sub-Inspector Manik Mondal, Baguiati P.S.

Prima facie, it is a peculiar state of affairs that in a purely private civil dispute of such nature, the police authorities are showing such keen interest.

The State is directed to file a Report insofar as the circumstances for issuance of such a letter dated 17th January, 2022 is concerned.

The petitioner is directed to effect fresh service on the private respondent and file an Affidavit-of-Service on the returnable date.

Let this matter appear on 25th February, 2026.
