I am of the, prima facie, view that the demolition order dated October 1, 2024, cannot be implemented without specifying the unauthorised portion of the relevant building.

The Corporation should have prepared a demolition sketch to implement the demolition order.

In that view of the matter, there shall be a stay of operation of the order dated October 1, 2024, for a period three months from date.

List this matter two weeks after the upcoming Puja Vacation under the heading "Motion".

The Corporation shall file a report by way of an affidavit specifically indicating the unauthorised construction of the building.
