Mr. Acharya, learned advocate appearing for the State files a report in terms of the order dated 12th November, 2025. The same is taken on record.

After going through the said report this Court finds that a demarcation in respect of the plots in question was carried out and the Revenue Inspector filed a report stating that the plinth level concrete structure was separately demarcated and found that the same falls within RS Plot No. 1511 and is located at a distance of 94 ft and 42 ft from two points respectively from the boundary line of RS Plot No.1512. It further appears from the attendance sheet that the petitioner was present at the time of physical demarcation of the property in question.

A copy of the report is supplied to the learned advocate for the petitioner, who seeks time to go through the same and revert back with necessary instructions.

List this matter on 30th April, 2026.
