...for the petitioner

Affidavit of service filed on behalf of the petitioner is taken on record.

It does not appear that the notice could be served upon the other side.

Liberty is granted to the petitioner to issue a further notice along with the copy of the application being CPAN 1703 of 2024 upon the alleged contemnor within two weeks from this date by speed post with acknowledgment due, within a week. An affidavit of service to that effect shall be filed on the next date.

List this matter for hearing under the same heading after three weeks.
