A skeleton record is produced on behalf of the respondent college. It mainly contains certain complaints made by the Resident Doctors' Association and the orders passed. It does not appear that the record of proceeding for September 11, 2024 or, for that matter, statements of any of the alleged wrong doers or witnesses that might have been recorded form part of the records.

Let the college produce the entire records of the case including videography, if any, on the next date of hearing.

The petitioner should also have responsible representative of the College Authority to instruct him on that day.

List this matter for hearing on 06.02.2025 at 2 PM.
