**Belur Sramajibi Swasthya Prakaipa Samity
-Vs.-
The State of West Bengal & Ors.**

Mr. Supriyo Chattopadhyay
...for the petitioner.

Mr. Swapan Banerjee,
Ms. S. Shaw,
Mr. Amit Kumar Guha
...for the State.

Affidavit-of-service filed in Court today be kept
with the record.

Mr. Swapan Banerjee, learned Advocate appears
for the State respondent.

No one is representing the principal answering
respondent, i.e., the respondent no. 4, the Indian
Nursing Council.

The petitioner has alleged that in spite of
granting approval to the petitioner by the Indian
Nursing Council to run GNM Program and the approval
being renewed till 2024-2025, all of a sudden and
without following the procedure under the law the
name of the petitioner institution has been deleted
from the recognized institutions under the Indian
Nursing Council. That the same is evident from the
website of the Indian Nursing Council. The petitioner
seeks immediate inclusion of its name as a recognized
institution under the Indian Nursing Council and to

proceed with the admission process of the current year.

Learned Advocate appearing for the petitioner (through video conference) has insisted that an order be passed that pending the present writ petition, admission process be allowed to be continued subject to the result of the present writ petition. However, in the absence of the concerned answering respondent no such order can be passed at this moment.

Accordingly, let the petitioner serve fresh notice upon the respondent no. 4 in particular and come back before the Hon'ble Regular Bench on the next occasion.

Let this matter be placed before the Hon'ble Regular Bench as per its convenience.
