Affidavit of service filed in Court is taken on record.

A serious allegation has been leveled in this writ petition.

Learned Advocate appearing for the petitioners draws the attention of this Court to an order dated June 10, 2025 passed by a coordinate Bench in WPA 3736 of 2024 wherein a report signed on February 27, 2024, with regard to Nabagram Pipe Water Supply Scheme through the lands being Dag Nos. 789 and 791, was produced before the coordinate Bench on June 10, 2025.

The coordinate Bench after taking note of the said report, directed the Assistant Engineer, Rural Water Supply, Public Health Engineering Department, to consider and dispose of the petitioners' representation in accordance with law.

Pursuant to the said direction, a hearing report signed by the Assistant Engineer (Head Quarters), Burdwan Division Public Health Engineering Directorate, dated 9th July, 2025

was served upon the petitioners, which has been annexed at page 92 to this writ petition.

After going through the hearing report, this Court finds that certain facts, which were stated in the earlier report, were sought to be rectified by the Hearing Officer. The question that arises for consideration as to the purpose and object of filing a report before the coordinate Bench stating certain facts and a different fact is sought to be portrayed under the hearing report dated July 9, 2025.

The Assistant Engineer (Head Quarters), Burdwan Division, being the second respondent, is directed to file a report in the form of an affidavit annexing the report of the Executive Engineer, Burdwan Division, Public Health Engineering Directorate, signed on February 27, 2024 which was produced before the coordinate Bench on June 10, 2025 in WPA 3736 of 2024.

Let such report in the form of an affidavit be filed on 2nd December, 2025 upon serving a advance copy of the same to the learned Advocate for the petitioners.

List this matter on 3rd December, 2025.
