In Re: CAN 3 of 2024.

CAN 3 of 2024 is moved on behalf of the intending persons, to be added in this writ petition, as parties.

Learned advocate appearing for the said applicants submits that the applicants are the existing contract labours with the respondent Railways and also members of the Union which is the writ petitioner in this case, before this Court.

The allegation put forth by the applicants in CAN 3 of 2024 is with regard to the alleged fraud committed by the writ petitioner/Union i.e., Eastern Railway Contractors Workers Union, to incorporate the name of outsiders in the list of contract labours, said to have been working with the Railways' Company.

The applicants in CAN 3 of 2024 are already represented by the above named Union, in the present writ petition, which fact is not denied on behalf of the said applicants.

Under such circumstances, this Court finds no scope for entertaining applicant's prayer for addition of them as parties, in the writ petition.

The same is, thus, dismissed being devoid of any merit.

CAN 2 of 2024 and CAN 4 of 2024, which are pending, shall be heard together, along with the merits of the present writ petition.

Let this matter be adjourned and be listed on 12.4.2024.
