...for the O.P. no. 2

This court has been apprised that the lower court record in connection with application being CRR 3757 of 2017 has been received by this Court.

It is submitted on behalf of the opposite party no. 2 that this court, by an order dated 11th August, 2017 observed that the trial court should ensure that the trial in the instant case, be expedited and concluded at an early date preferably within a period of six months from the next date fixed before the trial court.

It is submitted that since the trial court record has already been sent before this court, the trial court of the said proceeding has virtually stalled. It appears to me that for adjudication of the present application, the trial court record is not required at this stage and accordingly, the trial court record be sent at once to the court below.

Let all the three matters be listed one week after puja vacation under the heading "Contested Application".
