It appears from the report submitted on behalf of the 6th respondent that the award amount with regard to LA case no.35/89-90 was deposited with the State Bank of India, Bankura Branch and duly communicated to the District Magistrate and Collector, Bankura.

Strangely, the report in the form of affidavit submitted on behalf of the 3rd respondent indicates that no document relating to placing of fund as sought at the relevant time has been found and also, there is no document relating to declaration of the award.

Learned counsel for the State respondents seeks to take further instructions in this regard.

Let the matter appear under the same heading on 21st December, 2023.
