WPA 29798 of 2025
Abdul Suban Ali Khan
Vs.
The State of West Bengal & Ors.

Mr. Lakshminath Bhattacharya
....for the petitioner

Mr. Sk. Md. Galib, Sr. Govt. Adv.
Mr. Manish Biswas
....for the State

Mr. Tarun Kr. Das
Mr. Dilip Kr. Shyamal
....for the respondent No.12

Petitioner alleges that no demarcation was carried out to ascertain the encroachment alleged to be made by the petitioner within the knowledge of the petitioner.

Mr. Galib, learned senior government advocate appearing for the State, on instruction, submits that a fresh demarcation can be carried out by the concerned Block Land & Land Reforms Officer on February 19, 2026 at about 12 noon.

Since the date and time of demarcation is fixed at the suggestion of the Block Land & Land Reforms Officer and in presence of the learned advocate for the petitioner and the private respondent, there would not be any necessity to issue a further notice of demarcation upon the petitioner and the private respondent.

Taking note of the submission of the learned advocate for the private respondent that the petitioner was

not in possession of the alleged encroached portion at the time of filing of the writ petition being WPA 7839 of 2022 and passing of the order in the said writ petition on September 15, 2023 and since this relates to an allegation of encroachment, in order to avoid all future controversies with regard to demarcation, this Court directs the Block Land & Land Reforms Officer to put up a notice on the site indicating the date of demarcation and the plots in question which will be involved in such demarcation.

Needless to mention that after demarcation a sketch map shall have to be prepared and the Block Land & Land Reforms Officer shall also prepare a report of such demarcation.

The report of the demarcation along with the sketch map shall be produced before this Court on the next date.

It will be open to the parties to remain present at the time of demarcation along with necessary documents and any Surveyor/Amin.

In case the Block Land & Land Reforms Officer feels that the assistance of police is necessary for carrying out the work of demarcation, it will be open to the Block Land & Land Reforms Officer to approach the authorities of the local police station and if such an approach is made, the Officer/Inspector-in-Charge of the local police station shall render all assistance and ensure that the work of demarcation is carried out peacefully and within the scheduled time.

List this matter on **February 26, 2026** under the heading “**To Be Mentioned**”.
