In Re: CAN 1 of 2026

1. This is an application for condoning the delay and register the appeal for being heard on merits.
2. The explanation given in the said application in support of the cause that the appellant was prevented by sufficient cause in not filing the appeal in time, is not very convincing yet for the ends of justice, we allow the same by overruling the objection raised by the respondents.
3. The delay is condoned and the appeal be registered. Accordingly, the application being CAN 1 of 2026 is disposed of.

4. Let this appeal appear before the next available Circuit Bench subject to its convenience.
