...For the State.

This is an application for relaxation of the conditions imposed at the time of granting bail to the petitioner. This Court expressly indicated that the petitioner shall not enter the District of Jalpaiguri and Darjeeling except for the purpose of attending the Court proceeding and shall also provide address where he shall be presently residing to the investigating agency as well as the Trial Court.

The instant application is taken out on the premise that the petitioner is detected to suffer chronic disease like liver cirrhosis and have in fact undergone several medical tests at Delhi. The attending hospital has advised the petitioner to undergo further test in a periodical manner and the availability is only at super speciality hospital at Siliguri which is within the District of Darjeeling. The supplementary affidavit filed today contained several medical documents in support of the above.

The State opposes the prayer.

In such view of the matter, we modified the conditions to the extent that only for medical purpose, the petitioner may enter into

the district of Darjeeling and Jalpaiguri but the other conditions so imposed shall remain binding on the petitioner.

With these observations, the application being CRAN 1 of 2024 is disposed of.
