The Court: Two applications are taken up for consideration as they relate to the same appeal.

GA/4/2026 is an application seeking condonation of delay of 412 days in filing the application for restoration of the appeal being GA/5/2026.

None appears for the respondent despite service.

The appellant seeks restoration of the appeal.

Initially, appellant filed an application for restoration. Such restoration was not in form. Consequently, leave was granted to the appellant on March 31, 2026 to withdraw such restoration application and file the same on the self-same cause of action.

It appears from the records that, there was a change of advocate-on-record for the appellant. New advocate-on-record for the appellant applied for certified copy of the entire proceedings in April, 2026 and received the certified copy of the proceedings on May 22, 2026.

The application was affirmed on July 3, 2026.

At this stage, learned advocate appearing for the appellant seeks leave to file supplementary affidavit.

List both the applications on July 22, 2026 by which time the appellant may file a supplementary affidavit as prayed for.
